

Name of the organization: Value&Co

Type of stakeholder: Consultants

Country: France

Q1:

from the first glance given to the files, it seems that they fulfill the formating of reporting. Having no instruction on the XBRL software you reccomend, I have only been able to read the files, not to use them.

Q2:

again I lack the experience of using the files, but everything seems corresponding.

Q5a:

saves time and give accurate informations
